Senior Specialists

- Douglass Norvell** (Western Illinois University) Lakehead University, Business Administration
- Peter Strauss** (Columbia University) McGill University, Faculty of Law

The Fulbright Program has enabled me to take my research further and has opened the door for further research. Personally, it made me understand that working across cultures is complex and there are no set rules to follow. The exchange program has really helped my understanding that the world is not so big and the goals of my colleagues from Germany, Austria and other parts of the world are not too different from my own.

*Kirt Ejesiak, 2004 Fulbright student
and first-ever Nunavut person to attend Harvard University*
